RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Examiner Epperson:

This is in reply to an Office Action mailed on September 10, 2003, imposing a restriction requirement in the above-captioned patent application. The shortened one-month statutory period for response to the Office Action expires on October 10, 2003. Accordingly, Applicants believe that this response is timely filed.

Applicants believe no fees are due for this filing. However, should any fees be due, the Patent Office is hereby authorized to charge any additional fees required for this filing or credit any overpayment to Deposit Account No. 50-2350. For the purpose of charging or crediting said deposit account, duplicates of page 1 and the signature page are submitted herewith.

In response to the restriction requirement, Applicants provisionally elect the claims and compounds of Group II (claims 24, 29-32, 37-39 and 44-47) for examination with traverse. Applicants provisionally elect the species shown below to begin examination.
